

LED SUCCESS

PROJECT

Grocery Store Fixture Replacement

LOCATION

Little Giant Farmers Market
Atlanta based grocery store.

PRODUCT

4' LBI (LINEAR TRANSFORMER) - 280 FIXTURES

SITUATION

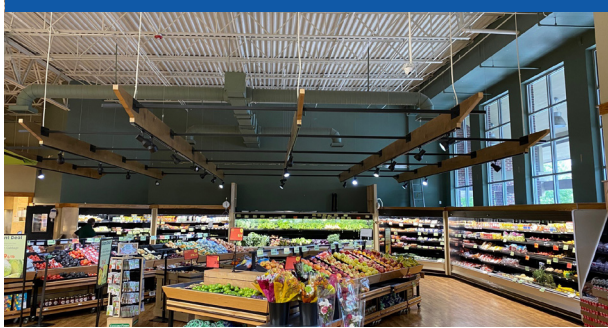

In 2019 Jackson Mitchell of Mitchell Grocery Corp purchased Little Giant Farmers Market and wanted to update the branch's lighting.

SOLUTION

The LBI was used to replace outdated tube, directional and case lighting throughout the store.

RESULT

The Little Giant stores are brighter and more welcoming to customers while also becoming more efficient.

BEFORE ↑ AFTER ↓

"It feels like a completely different store and we have seen huge energy savings already."
