

LED SUCCESS

PROJECT

TOP-TO-BOTTOM STORE RETROFIT

LOCATION

PIC QUIK, Las Cruces, NM

Gas Station, Convenience Store, Car Wash

PRODUCT

8090 – Gas Canopy & Car Wash Bay	8029 – Downlight (outdoor)
8089 – Pole Lights	7320 – Downlight (indoor)
8055 – Entrance Canopy	8039 – Bollards
	LBI – Sign Lighting (double sided)

SITUATION

HID gas canopy fixtures were wasting energy and caused a maintenance headache having to constantly replace bulbs & ballasts.

SOLUTION

Gas canopy fixtures were easily retrofitted w/ directional, horizontal mount LED-8090. Ease of install and superior light output immediately led to retrofitting the entire store.

RESULT

Brighter, more efficient retail environment that is safer and easier to shop, all while standing out amongst the competition. The entire 28 store chain is now being retrofitted.

“

“the overall look of the store and light output after being retrofitted was so impressive...I told my managers to do every location ASAP”

– Owner Pic Quik (28 locations)

“no matter the fixture type, the installations were simple and went faster w/ every store completed”

– Chris Hernandez, Distributor

”
